Justification for decision: (Use continuation sheet if necessary and attach map)

The Air Force's consultant determined these buildings ineligible based on age and/or integrity. The World War II buildings have been significantly altered and do not form any cohesive architectural identity. The Trust concurred that all of these buildings were not eligible.

Documentation on the property/district is presented in: with this MHIP form and Andrews Air Force Base compliance file

Inventory No. PG: 77-43

Property Name: Base Engineering Administration #03710

Location: Andrews Air Force Base

Ownership: Public/Military

Date of Construction: ca. 1944

This building is a one-story tall, brick veneer structure built in 1944. The structure was originally constructed in concrete block. It has a low sloped built-up roof.
